Walkathon

WHAT'S IT ALL ABOUT?

The money raised pays for so many great things at OLG: new technology in the classrooms, field trips, classroom supplies, playground equipment, special guest days, graduation, foreign language program support, etc. The sky is the limit! The more money raised, the more amazing things we can offer at OLG!!!

NEW this year – ONLINE
Pledge Collection!

Go to

www.pledgestar.com/olg
and register.

The Walk-A-Thon is an all-day event where students raise money by asking friends, family, neighbors and community members to sponsor them for walking around our school on **the day of the Walkathon from 9:00 a.m. to 2:00 p.m.**

Each family is encouraged to raise a minimum of \$60 in pledges for a single child, or \$90 for a family to qualify for the Out of Uniform prize level.

Once a student reaches this goal and turns in their money, they are entitled to be out of uniform until October 14th. The sooner they reach their goal and turn in the pledge money, the longer they can be out of uniform!

New this year – turn in money on Walk-a-thon day to get the most out of uniform days.

They are three turn-in dates for walkathon donations:

**Friday, October 7th,
Tuesday, October 11th
Friday October 14th**

Encouraging the students to solicit business sponsors is also an excellent way to help students increase their pledges. Obtaining business sponsors will significantly increase our profit. All donations are tax deductible. Also, please note that students may not sponsor each other.

Please see the next flyer for information on how to use ONLINE pledge collection.

Students may hand in more money than their pledged amount. Please use the special collection envelope to turn in your student's donations. Their name, homeroom, and amount should be clearly marked.
