Cafeteria Q&A:

What if my child who is on free or reduced lunch only wants a milk or a single item?

We are only reimbursed by the USDA for complete meals. If you child only wants a milk or a single menu items then those items are available for cash purchase on an individual basis; for example, milk costs 50 cents. In order to be free, your child must take a complete meal consisting of three different items (one being a fruit or vegetable).
