TUITION AND FEES INFORMATION SHEET

Tuition & Fees Payment Policy - It is the expectation that families will stay current with their payments, as delinquency negatively impacts the entire OLG community. No student will be allowed to commence a school year if the family's account is delinquent. If you have extenuating circumstances, and are not able to remain current with tuition payments, you must contact the Business Manager of the school as soon as possible. If the issue can be resolved with the Business Manager, we will move forward according to the agreed upon plan. If you are a parish family and are experiencing financial difficulty, you must contact the pastor or business manager of your parish to request assistance. Our policy does not allow a student to continue attending classes if the family's account is three months in arrears. Also, if an account is delinquent, the school reserves the right to withhold report cards, high school placement forms and other school-generated documents.

Payment Plans – Annual: One payment by July 5, 2021; Semi-Annual: Half by July 5, 2021 and half by January 3, 2022; 10-month plan June 2021 to March 2022; 11-month plan May 2021 to March 2022. Late enrollees in the current school year must commence tuition for 2021-22 with other re-enrollees. If we do not hear from you, your payments will begin from June 21, 2021.

FACTS Management –New families must enroll online with FACTS Management after being notified with details. The school will enter the payment plan information after you complete your FACTS on-line enrollment, and you will be notified about your payments. Your child will not be added to the class list if this process is not completed. Re-enrolling families already have accounts on FACTS Management, and do not have to create new accounts.

Ach – FACTS Management will collect semi-annual and monthly tuition/fees payments through automated clearing house (ach). Funds will be automatically withdrawn from your specified checking, savings or credit card account according to your selected payment plan. Should your account not have the funds to cover the designated amount, you will be assessed a charge for insufficient funds. Annual payers can choose to pay as billed or by ach. For the other plans parents must set up their accounts for the ach transactions.

TUITION AND FEES ASSISTANCE – If you wish to apply for financial assistance from the Archdiocese's Catholic Education Foundation (CEF), or from your parish, you must complete the application under Grants and Aid on the FACTS Management website. The CEF scholarship is need based and is open to all students regardless of religion. Information at <http://catholicbestchoice.org/k-8-tuition-information/> You only need to complete one application per family as long as you include the codes for all private schools where you want to send your application. There is a cost of \$30 per family application. The Archdiocese and each OLG covenant parish establishes its own guidelines and determines eligibility and level of tuition and fees assistance. The Archdiocese CEF deadline is February 8, 2021, and the parish deadline is February 28, 2021.

In-Parish Tuition & Fees– In the OLG handbook, the pastors have specified what is required of families to be eligible for in-parish tuition and fees. This status is granted at the beginning of the year and may be revoked at any time if the pastor establishes that the requirements noted in the handbook are being violated. Should this occur, the family will be responsible for tuition and fees at the non-parish rate.

Pay in full discount – For families paying the full tuition and fees, there is a \$50 discount per student if the entire amount is paid in full by July 5, 2021. You will still need to complete the on-line FACTS Management enrollment showing July as your start date. If circumstances prohibit you from making that full payment, you will be set up on a payment plan commencing in July 2021 and ending in March 2022.

Re-Enrollment (Current Families) – There is a non-refundable deposit of \$50.00 per family due at the time of re-enrollment. This will be charged through the family’s FACTS account. The deposit will be applied to the family’s tuition and fees for the school year. Students are not re-enrolled until the deposit is paid and the tuition for the 2020-21 school year is current. Families not current with tuition may re-enroll when they bring their account to current status. Since open enrollment commences on February 12, 2021 there is no guarantee that there will be space available in the classroom for current students who enroll after February 11, 2021.

Open Enrollment (New Families) – Open enrollment begins February 12, 2021. There is a non-refundable \$50.00 per family enrollment deposit, due at the time of enrollment. The deposit will be applied to your tuition and fees. Students are not enrolled until the deposit is paid and all other required documents are sent to the school.
