FUN FRIDAY

Starting next Friday, we are excited to share our newest feature of OLG~HOME, Fun Fridays! We will not be assigning any work for Fridays moving forward. We would like to give the kids time to have fun and learn things they wouldn't normally be able to while sitting in a classroom. Here are some ideas:

Like animals? Check out the [Smithsonian's National Zoo](#)

Make a chalk design on your driveway or sidewalk, take a picture and share it!

Saint of the Day

Saint Rupert

St. Rupert was a Bishop and a missionary. He was a member of a noble Frankish family and was appointed Bishop of Worms, Germany. He dedicated himself to spreading the faith among the Germans. With the support of Duke Thedo of Bavaria, whom St. Rupert baptized, he took over the deserted town of Juvavum about 697. St. Rupert reestablished the city with the site of his Basilica and renamed the city Salzburg, Austria. Rupert founded a church, a monastery, and a school; brought in groups of missionaries; and established a nunnery at Nonnberg with his sister, Eerentrudis, serving as the first abbess. He died at Salzburg and is venerated as the first archbishop of this major diocese in the West. Rupert is revered as the Apostle of Bavaria and Austria.

Option TM

Modified Grading Procedure for Online Learning (Grades 4-8)

As we continue to navigate our new distance learning platform, we have decided to adjust how students' work is recorded in Option C. This modification will better enable students and parents to track assignments which still need to be completed and submitted to teachers.

Students need to continue to work on completing all work which is assigned in Google Classroom. The grade of COMPLETE (C) will be given to all students who achieve a satisfactory score on individual assignments and assessments. The grade of INCOMPLETE (I) will be given to all students who DO NOT achieve a satisfactory score on individual assignments and assessments. Any student who earns an INCOMPLETE will need to redo the assignment until they earn a satisfactory score. Please note: If an "X" is listed for an assignment in Option C, this means the student has not yet submitted that assignment to his/her teacher. Students may still complete and submit these assignments as soon as possible.

Students should continue to reach out to teachers via email if they receive an INCOMPLETE (I) to see how they can improve on the assignment.
