Our Lady of Grace continues to offer the best education to students within the parameters of the stay-at-home order. Although we are not meeting physically, we continue to share with you this common goal for your child: to help them be the best version of themselves.

We know in these uncertain times, our families may be feeling overwhelmed. We are here to help you! If you need assistance in any way, please reach out to us. We truly want to hear from you, so we can problem solve together and help each other.

Please use the following guide as you consider how we may help:  
**Academic support:** contact your child's teacher or Intervention team  
**Tuition questions:** contact Mike Desmier at [mdesmier@olgcs.org](mailto:mdesmier@olgcs.org)  
**Mental Health:** contact the Beech Acres staff at [tlampe@olgcs.org](mailto:tlampe@olgcs.org)  
**All other concerns or questions:** contact Mrs. Kirk at [mkirk@olgcs.org](mailto:mkirk@olgcs.org)

We love our families and students! We miss you and are here if you need us!

### Saint Athanasia of Aegina

**Saint Athanasia of Aegina was a greek widow and abbess who lived on an Aegean Island. She was the daughter of Christian nobles, Niketes and Irene. Athanasia experienced a mystical union of a star merging with her heart while weaving at the loom when she was a young girl. She wanted a spiritual life, but an imperial edict required all single women of marriageable age to marry soldiers. At her parents' urging she complied and married a young soldier. Athanasia's husband of two weeks was killed fighting Saracens. She remarried, and her second husband, a deeply religious man, decided to become a monk. Athanasia agreed and converted her home into a convent, where she became an abbess. She was known for her miraculous healing of the sick and those seen as possessed. Moving the convent to Timia, Athanasia became an advisor to the Byzantine empress during her seven-year stay in onstantinople. She died of natural causes in Timia in 860.**
