Holy Week

Holy Week, in the Catholic church, is the week between Palm Sunday and Easter. It will begin this Sunday, April 5. It is observed with special solemnity as a time of devotion to the Passion of Jesus Christ.

Although we are not having our OLG~HOME classes next week, we would like to celebrate Mass together as a school community. Please join us on Tuesday, April 7 at 10:00am for an all school virtual mass. [CLICK HERE](#) to live stream our Mass. (It will be the St. Ann Live Broadcast on the bottom of the page on the left.)

We will also be adding some Holy Week activities to the OLG~HOME virtual school page. There are activities for kids, adults, and families. We hope these will help you and your families devote some time to the Passion of Jesus during this very important week in our church. Please look for those starting next week.

Saint of the Day

Saint Fara

Burgundofara (Fara) was the daughter of Count Agneric, courtier of King Theodebert II. She refused her father's demands that she marry, and became Abbess of a convent she convinced him to build, and ruled for thirty-seven years. Named Evoriacum, the convent was renamed for her after her death, and in time became the famous Benedictine Abbey of Faremoutiers. She is also known as Fare. Her feast day is April 3rd.

Check out our newest feature to our website, our Virtual Art Gallery! Art is such a big part of our lives at OLG. The hallways are filled with amazing creations from Mrs. Renick's classes. We are not there to see this in person, but the creativity is continuing at home! We love being able to show it off and enjoy it in our Virtual Art Gallery at www.olgcs.org.

Modified Grading Procedure for Online Learning (Grades 4-8) Updated 4/3/20

As we continue to navigate our new distance learning platform, we have decided to adjust how students' work is recorded in Option C. This modification will better enable students and parents to track assignments which still need to be completed and submitted to teachers.

Students need to continue to work on completing all work which is assigned in Google Classroom. The grade of COMPLETE (C) will be given to all students who achieve a satisfactory score on individual assignments and assessments. The grade of INCOMPLETE (I) will be given to all students who DO NOT achieve a satisfactory score on individual assignments and assessments. Any student who earns an INCOMPLETE will need to redo the assignment until they earn a satisfactory score.

Please note: To locate any assignments not yet turned in, the student will need to click on "Missing" under the "ASSIGNMENTS" heading on his/her Option C Dashboard. Students may still complete and submit these assignments as soon as possible.

Students should continue to reach out to teachers via email if they receive an INCOMPLETE (I) to see how they can improve on the assignment.
