

OUR LADY OF GRACE
CATHOLIC SCHOOL

PROBATIONARY CONTRACT (Grades 1-8)

Our Lady of Grace School provides a Christian environment in which each of our students has the opportunity to fulfill his/her God given potential. The wonderful students, parents, teachers, as well as the support of our parish communities ensure excellence in all that we do. Preserving and enhancing this culture of excellence and this environment poised to facilitate high levels of achievement is our top priority.

Out of respect for this culture, transfer students will be welcomed at Our Lady of Grace given that (1) there is sufficient room within the grade level being sought and (2) the student and his/her parent(s)/guardian(s) are able to be appropriately served by our community while at the same time themselves enhancing (and in no way detracting from) our school culture.

All transfer students will be placed on academic and behavioral probation. The principal reserves the right to establish the parameters of the probationary period.

- A. **Usually** academic probation will be for the period of one (1) trimester and may be successfully lifted after the student has achieved an average of "C" or better in all subjects (Math, Science, Social Studies, Language Arts, and Religion). Work completion is also a condition of continued enrollment.
- B. **Usually** behavioral probation will be for the period of one (1) year and may be lifted only after the student has completed the year without accumulating more than 10 behavior points. Serious or repeated violations of the school's discipline code may result in automatic dismissal from the school.
- C. Excessive absences (10 or more in a trimester) and/or late arrivals (7 or more in a trimester) may be considered when offering the student the opportunity to register for the next school year.

The principal reserves the right to determine whether or not Our Lady of Grace School is an appropriate placement for any student seeking admission or already admitted to Our Lady of Grace School. Furthermore, the principal reserves the right to change classroom placements at any time in an effort to meet the needs of the child and maintain a learning environment for all the children.
